

Julissa Anahi Lopez

January 19, 2007 - February 6, 2013

Julissa Anahi Lopez was sent from heaven on January 19, 2007.

She arrived on Earth to meet two angels who were called Mom and Dad. Sexy Mama, Reina, Juli were all names everyone knew Julissa by. She was a heart of gold. She stole mommy and daddy's heart the minute she was born. Juli celebrated 6 wonderful years with friends and family. She was the captain to her "Rainbow Team" which was a team created to help Juli fight her brain tumor. She loves rainbows. Not only was Juli a princess, sexy Mama and a sweetheart, she was a warrior as well. She battled her cancer to the very end. When doctors told her there was nothing to be done and threw out deadlines to her, she proved them wrong over and over again. Her spirits were always high. Her laughter was like music sent from heaven. On February 6, 2013, Jesus told Julissa her journey had been accomplished and needed her back home. Julissa will forever live in our hearts. She will be greatly missed by her parents, Cesar and Beatriz Lopez, big brother Joel Lopez and little Sis, Jizelle Lopez. She will also be missed by her grandparents, aunts, uncles, cousins and friends. Juli will always shine through the rainbows and forever loved.

“ Dear Lopez Family,
I am so proud that I was fortunate to meet Julissa while she was a student here at Ingram Elementary School. She became a special friend to so many of our staff and students in the short time she was here. My thoughts and prayers are with you all. Take comfort in the fact that the angels of heaven delivered your sweet princess back home and into the arms of Jesus.##imported-begin##Donna Birdwell Shaw##imported-end##

“ *kBeatriz, Ceasar & Joel, I am so sorry for the loss of your precious daughter and sister. My heart breaks for you. I don't know of anything to say that would take your pain away. I know you are a strong and faithful family and thru it all you do not loose that faith. Jesus is carrying Julissa now and He will take very good care of her until you are with her again. Hold onto each other and know that when you are weak, He is strong. Love, Alisa w###imported-begin##Alisa Kite##imported-end##*
