

Karen Horn Rodgers

March 13, 1963 - January 10, 2024

Karen Horn Rodgers was born March 13, 1963 in Sylacauga, Alabama to Robert Leonard and Barbara Jean Horn and passed from this life on January 10, 2024 in Dallas, Texas surrounded by her family.

Karen graduated from Lancaster High School. She retired from AT&T after 41 years of service. As her children, nieces & nephews, and their kids would attest, Karen was the biggest fan and the loudest supporter at all of their sporting events and fundraisers. One of her long-time loves was Alabama Football! The only thing she loved more was spending time with her children, her grandchildren, and her family.

She was preceded in death by her mother, Barbara and her brother, Greg Horn.

Karen is survived by her son, Matthew Rodgers and wife, Kelsey; her daughter, Tiffany DuBose and husband, Blake; her granddaughters, Emersyn and Georgia Rodgers; her father, Robert Horn; her sister, Debbie Frazier and husband, Milton; her brother, Robert Horn and wife, Gayle; her brother, Rodney Horn and wife, Terri; her sister, Sharon Coe and husband, Russell; and numerous nieces, nephews, great-nieces & nephews, extended family, and friends.

The family will receive friends from 11:00am to 1:00pm on Wednesday, January 17, 2024 at Byrum Funeral Home Chapel in Lancaster. A celebration of Karen's life will be immediately following at 1:00pm also in the chapel. Interment will be private for family only at Edgewood Cemetery.

“ *May God uplift and comfort your family in this time of sorrow. Karen is now at peace and she is no longer in pain. God was ready for her to come home. Your family is in my prayers. I met Karen at work for AT&T in the CSC and she will be missed.*

“ I met you on the first day I started at AT&T on August 8 2001. You called me from the Client Service center and gave me my first ticket! Little did I know that this first conversation would be first of many over a 22 year span.

The most remarkable part of this was the deep friendship that grew over time between us, we could talk to each other about anything and everything. The most remarkable and unforgettable part about our friendship was that these conversations took place over 18 yrs before we ever meet face to face. That was truly a testament as to you as a person. We both cried and prayed together when you were first diagnosed with Breast Cancer and we again cried and prayed when you went into remission. We finally meet at a Horse Show in Corsicana, TX and to my delight, you and my wife Terri hit it off as friends immediately !!

That is another testament to who you are! Through our long friendship that was the only time we ever meet face to face, yet I consider you my best friend, just another testament to you and your character. I will never mention you in past tense because you are not dead. You are more alive now than ever. You are in Heaven with our Lord and Savior Jesus Christ!! All my love to you my dearest friend until we meet for the second time, but this meeting will last forever

“ I had the pleasure in meeting Karen at a horse show that myself and Joe Eidson were working in Corsicana, Texas. Joe always spoke of her being a best friend he had never met, so we got to meet her and hug her neck.
She had to be one of the most positive, strong willed person I had known. I just thank God I got to meet her. Rest easy my friend, 'til we meet again.

“ I have so many memories of Karen that it's hard to pick. I was lucky enough to be raised just a few houses down from the Horn's. They are like my second family. When we were little we spent many hours playing Barbie's under their Willow tree, riding bikes or playing in my front yard. She and Sharon were bridesmaids in my wedding. Over 42yrs ago..I haven't gotten to see Karen much in the last few years, but when I did we just picked right back up where we left off. Of course we kept up on Facebook. We both waited a long time to become grandmothers. And we were so happy to have something so precious to share. We couldn't of been happier for each other. It's not goodbye, it's I'll see you later sister.

“ *I worked with Karen in Waxahachie when we were operators. She was a sweet person and will be missed. We kept in touch by phone for a bit as she was preparing to retire. May she RIP and may her family find comfort and peace during the difficult days ahead. She is no longer in pain and I know she is enjoying being with loved ones who preceded her in death. I was blessed to be her friend. Prayers for her family and friends.*
