“ We may have lost our loved one, but heaven has gained an amazing angel. Papa Simon was so good to me, I will cherish what memories I have of you for the rest of my life, till the day comes that we meet again. Until then I will take care of your son as you watch over us from above. It has been an honor and a pleasure to have known you. RIP Dad, love you, JeriLynn

“ Bobby and family,

Thinking of you at this time and remembering what a wonderful person Karl was to everyone he met and how much he enjoyed helping everyone. He helped me so much through the Herb Shop when I needed him. It was my pleasure to have known him.

“ *It was an honor and a privilege to have known Karl for these past 10 years. It was an even greater privilege as my father-in-law. He will be missed with his big smile and wonderful zest for life. He was a big man with a big heart. Seeing how he would light up when his grandchildren and great grandchildren would come to visit these past several months will be a lasting memory I will cherish for every. He loved his family and never lost site on the future. He was looking forward to the holidays and spending time with his family. May you rest in piece your son-in-law Royce.*
