“ *Katherine was my mother's best friend, and my mom named me after her. Years after my mother passed away, Katherine and I reconnected and became very close. I considered her a dear friend, a mentor, and a travel buddy. I have many fond memories of our trips to San Antonio, Salado, Fredericksburg, and the Hill Country. She was one of the most remarkable women I've been blessed to have in my life, and will be missed deeply. Katherine, Hug moma for me, please. I'm sure you are both having a blast catching up.*

“ *All of us at the Aetna loved Katherine. We considered her to be our "house mother". She was a wonderful lady and friend.*

“ *Katherine started as my dog-sitter and ended up as most cherished friend. We are all lucky to have had her in our lives. Her own dogs are ecstatic to be with her again. I know you will always be looking after me. You are loved. Jan Staab*

“ *The world is a little dimmer without Katherine's smile. She had to be the sweetest person God ever put on this earth. Always giving to anyone she thought might need it. My life has been blessed for having had the privilege to know and love her. My "second mother". God truly took an angel home this time. I will miss you till the end of my days.*
