

Kathleen Murrell Fitzhugh

June 22, 1943 - July 12, 2023

It is with great sadness that we announce the passing of Kathleen Murrell Fitzhugh, a beloved wife, mother, grandmother, and friend. She was born on June 22, 1943 in Tylertown, Mississippi. She departed this world on July 12, 2023 in Waxahachie, Texas at the age of 80 after a valiant battle with cancer, demonstrating her unwavering strength and determination until the end.

Kathleen was the second of three children born to the late Leonard and Lora Murrell. She spent her childhood, youth and young adult life in the state of Louisiana.

Kathleen graduated from Louisiana College with a Bachelor of Arts degree in Elementary Education. After graduation, she began her career in the classroom. After a few years of service in Louisiana, she moved to Texas and taught many young students how to read and write.

After 35 years teaching first graders, she retired and began to volunteer at the Lancaster Outreach Center. One of Kathleen's favorite places was her home church of First Baptist Lancaster where she was a member for almost 50 years. She loved music and used her talents in the adult and senior adult choirs. She also played the piano and participated in the handbell choir.

Kathleen will be remembered for her warm smile, gentle nature, and

unwavering loyalty. She touched the lives of many with her kindness and generosity, always willing to lend a helping hand to those in need.

Kathleen is survived by her sister, Susan Martin; her children, Jeff Fitzhugh and wife Angie, Allison Douthit and husband Danny; her grandchildren, Elizabeth Fitzhugh, Bryson Douthit, Brenna Douthit, Ezekiel Fitzhugh, Brooke Douthit and Eli Fitzhugh as well as many additional cousins, nieces and nephews. She will be deeply missed by all who had the privilege of knowing her.

A celebration of Kathleen's life will be held at 11:00am on Saturday, July 15, 2023, at First Baptist Church in Lancaster, Texas with visitation beginning at 10:00am.

We extend our deepest gratitude to all who have reached out with messages of support and condolence during this difficult time. May we find comfort in the cherished memories we shared with Kathleen and in the knowledge that her spirit will forever live with our Lord and Savior, Jesus Christ.

“ Mrs. Fitzhugh was my first grade teacher in 1988. I thought of her today. I still think often about how special she was and how she truly affected my life, even all these years later. I don't think I had any other teacher who was so thoughtful about what would help me personally grow my potential. I was just telling a friend about the amazing special things she did for me as her student. Thank God for you, Ms. Fitzhugh!

“ What a joy & blessing it was to know this sweet lady. Kathleen definitely could light up a room. You couldn't keep from loving her. I think I first met Kathleen in 1976 when I joined FBC Lancaster and later we were in the Senior Serenader choir. She had such a pretty voice. Sympathy to Jeff, Allison and family. I will be praying for you as you go through these days ahead. Kathleen will be missed by so many but leaves us with so many wonderful memories. She touched us with humor and taught us by example on how to find humor. Until we meet again, Kathleen.

“ My oldest son Douglas got to have Kathleen for a teacher in Sunday School as best I remember. I remember how good she was with children. She raised a great son and daughter and modeled being a strong single parent. Grateful for her ministry at FBC when we were there in the 1980s.

“ *Kathleen was a delightful lady. She always had a smile to share or a big laugh. She had a great sense of humor but most of all she loved the Lord and loved serving Him. We will miss seeing her in the choir on Sundays. We know her family is going to miss her but rejoicing that she is in Heaven with a big smile in her face!*

“ I grew up with Kathleen from childhood in Port Sulphur, Louisiana. Her father Leonard and my father attended LSU together. Our families attended church, shared birthdays, and followed LSU football together. Kathleen was beautiful (always smiling), very smart and blessed with natural musical talent. Although I have not been in touch with Kathleen for the past 50 years, many happy memories of growing up together remain vivid and a treasured part of my life forever. Love and comfort to Kathleen’s family and Susan (her sister) still my best friend.
