“ Keith was my On-the-Job Instructor when I was first hired. He helped me through the early years. Then when I became a manager Keith was there to help me again. He had a unique sense of humor and frequently made me laugh and see the lighter side of things. I really missed seeing him every day when he retired. I am so sorry for your loss. Keeping you in my thoughts and prayers during this difficult time.

“ A good and kind friend who was always willing to help others. He guided me through my early years at the Treasury and taught me all about my new job. He was missed by all when he retired and he will be sadly missed now. RIP friend.

“ I will always have only good memories of Keith mixed with his special humor. We had many good times together and that is what I always will cherish. RIP. Wm Polk

Like William Polk I have nothing but good memories of Keith. I worked with Keith many years in Dallas and we became very good friends. He is one of the smartest people I have ever known and had a wonderful sense of humor with a deadpan delivery. I will miss Keith. Rest in Peace my good friend.
