“ I remember summers in Altus at Mama and Papa Fords house. Excited to see all the " Dallas Cousins". We kids took up the whole block all the way down to missile park! Loved watching Kim and Gina doing all the acrobatic cheerleader moves like the summersault my short little legs wouldn't do! Kim was always so soft spoken ,generous with her time, and patient. Family was everything to her. She tracked me down long before Facebook. We emailed each other for years. I was hoping some day my granddaughter Kimberlynn could meet her buy now I'll just have to make sure she knows she has a guardian angel she was named for ,watching over her. My love thoughts and prayers with you all

“ *Kim came to me one day crying and said "Debbie they tell me I have Alzheimer's but no one will explain to me what that means". So we opened up the wine and say down at the computer and looked it up. I tried to explain it all to her. Whether that helped or not I'll never know but at least the tears stopped and the wine bottle was empty when we finished! Loved that girl so much. She is now at peace.*

“ I worked with Kim at Pegasus Transportation. We laughed at how they managed to hire 2 Kim's for the safety department. She always said we were awesome, not only because we were both named Kim but because we were both named Kimberly Dawn!! She was a beautiful person inside and out. Prayers to her family.

“ Kim was a beautiful lady and I enjoyed knowing her and her family growing up - as we were neighbors. May you shine forever in the presence of God with a new spiritual body that will never know pain and suffering again.

May God bless your precious family - giving them the comfort and strength needed. May you find peace in knowing you will see her again. Prayers for all the family and friends.

Love,

“ Sorry for the loss to the Sandborn Leach family on the passing of Kim.

I knew Kim from the old neighborhood and went to school with her from Hulcy

all the way to graduation at Carter. We were just about neighbors when her and Ed lived in Oak Leaf and I lived in Red Oak. I know that she missed her Ed so very much and now she is finally with him again.
