“ Kim was a fixture around our house since her and my sister were bffs. She was always smiling. Had a great laugh. Was a bit gullible at times. I used to answer my sisters phone and until I giggled she didnt realize it was me. Was good clean fun. I know she will be missed. My prayers are with her entire family and all her friends. But she’s resting now. Hold on to your memories. God bless everyone.

“ Kimberly was the sweetest person. She lived 2 houses away from the end of my street growing up. I loved going over to her house and playing with her and her siblings. Her parents where so nice, too. I will miss talking to her on Facebook, and prayers her daughter will be ok. Audra (Aguilar) Bailey

“ Friends since second grade — roller skating, riding our bikes, swimming at the pool, sleepovers, double dates, weddings, babies, and every stage of life in between. We shared all of it. Even when we were 1,000 miles apart these last 14 years, we stayed close. I visited whenever I came home, and we talked, texted, laughed, and lived life together.

Now you're gone, and while I'm grateful you're no longer in pain and resting at the feet of Jesus, my heart misses you deeply. We always joked that we'd be friends until we lost our memories — and then we'd just become new friends again. Save me a space in heaven, girl. I'll see you when it's my time.

I love you, always.

“ I'm heart broken. Kim was the sweetest person I've ever known and so smart. She didn't have one mean bone in her body. I'm proud to call her my friend. She will truly be missed. My condolences to her family.
