“ *I worked many criminal investigations with Larry thru my agency when we had crimes that affected both our cities. He was first, a good man, second, a true professional and good police officer in every rank and capacity that he held. I was fortunate enough to speak with him on Christmas Day. We had a wonderful talk and He told me he was ready to meet the Lord. I know we will all miss Larry. To the family, friends, and former co-workers may you find peace and acceptance. Phil Hambrick*

“ *My "brother bear". I will cherish our early morning talks forever. I made you a promise that Shirley and I will take care of each other and we will.
Taking care of you was an honor. We laughed, we cried, we hugged and we prayed together. You will always be in my heart. I love you.
Rest In Peace.*
