“ I remember at one point she asked me if I had heard the rumor about butter. She claimed that she'd tell me about it but was afraid that I might spread it around.##imported-begin##Alex Butler##imported-end##

“ Leola was a hard working woman. She took great care of her family and her responsibilities. Definitely, a woman to admire. I remember at one point she asked me if I had heard the rumor about butter. She claimed that she'd tell me about it but was afraid that I might spread it around. I will remember her spirit and how she touched my life. After a life of hard work and dedication it's good to know that you finally get to rest. You will live in ours hearts and minds forever. Give Uncle Janes some sugars for me.##imported-begin##Alex Butler##imported-end##

“ I will never forget that sweet little lady who always passed out hugs like they were going out of style or telling me that I need to get a razor because I am too scruffy.

*She was a truly amazing woman who got to see some of the most amazing things during her lifetime, like the end to a horrible war or some of the most beautiful cars we know to date. Better yet she was forged in an America where working hard and putting others before yourself was commonplace. She was one of the most unique women ever born and now she moved on to be one of the brightest angels in heaven with her hunk husband who's awaited her for a long time. Rest in peace grama, I will see you again someday.##imported-begin##Little Jay##imported-end##*

“ As a young boy I was always tagging along with grama wherever she may go, like most of you already know, most of her time was spent at Kwik-Wash laundrymat. I spent alot of time with her there running around being her little helper. Everyday I would go to work with her she would give me a little bit of change and let me get a snack out of the vending machines. I was in charge of rounding up all the laundry buggies, sweeping the floor with the big-ol broom, and helping her clean all the lint traps. She taught me that working hard and being kind to everyone was a way of life.##imported-begin##Little Jay##imported-end##
