“ I had not seen Leona for many years and was so surprised when I saw her birthday wish on my Facebook page on January 26. She was always so nice though. She will be missed! Rest easy Leona until the trumpet sounds.

“ Kenny, Richard & Richard Kr.

I am so sad to hear that the world has lost an angel in my friend Leona. We shared many phone calls and many life experiences over the years. While having only met her once we were able to become friends for years.

May God hold her close to HIS heart and hold those that loved her close as well. Rest in Peace my friend. Love you.
