“ Our sweet Lou. We will miss you so much. It was a joy to wave to you every afternoon as you set on the porch, and it was a reminder that everything was right with the world and we could rest now the day was done. We are so sorry for you James, we love you so much and we know that everyone is telling you that if you need anything just call, but we will always be here for you. Anything you need we will do. We are so sorry for your loss and the loss of your only love. It is so hard and you are a great man for the undivided attention and the undying love that you showed Lou. Our prayers and deep felt sympathy are with you now and all the days to come. You and Lou were there for us during our darkest days and now we are here to walk beside you in your darkest days. We love you and will miss Ms. Lou.##imported-begin##Brenda and Frank Smith##imported-end##
