“ Terry & Perry, not sure if you guys remember me and my mom - Tracie & Marceline Layton from Tyler street in Oak Cliff. I was doing a search to find your mom for my mom's 70th birthday party this weekend and I'm so saddened to find that your sweet mother has just recently passed on. May she rest in peace and may the good Lord comfort your hearts and guide you through this loss. Our thoughts and prayers are with you.##imported-begin##Tracie Layton##imported-end##

“ When ever I think of Lutherine I see my Mother (Rosemary Turk), and Charlotte George. Those three were always together. I believe they meet at a PTA meeting in the early 60's, and from then on were the best of friends. We would have cookout's, at Lutherine's house. While Lutherine and Mom were cooking, Charles and my Dad (Kenneth) would play pool & Bar-B-Q at the same time. I was always following Perry around listening to him talk about his stamps. Terry and my brother's William and John were always outside getting into something (trouble most likely). I remember one of my favorite times was when Lutherine took all of us to were her parents had a country store. I was so amazed at the big garden behind the store. I had never seen a garden before. I had always lived in the city so this was a exciting and wonderful adventure she took us on. I must have been about 8 or 9 years old at that time. Lots of beautiful memories.

Lutherine and Mom were always trying to convince Charlotte to go on a Cruise with them, but unfortunately she never did. That didn't stop Lutherine and Mom, they went on several cruises and had a blast. I know my Mother will miss Lutherine very much for all the years they have shared friendship, family, and love.##imported-begin##Julie Reyes (Turk)##imported-end##

“ Dear Perry and Terry,

I can relate to the feeling of loss you must feel at this time. I miss you both, and I deeply appreciate your mom being close friends with my mom for many years. I remember you both fondly and regret that the years have separated us from communication. We hope you both will be greatly blessed by God in these days. We will pray for you. I remember many days of playing cops and robbers with Terry running around our houses. My aunt Marcheta, who lived next door to us is still alive in Denton and doing well in her old age.

God bless,

Thank you,

“ *The fun times we had at Lake Dallas when Mom and Lutherine took us were great childhood memories! She was a special lady and I'm sorry for your loss and sympathize with the hole it leaves in your lives. She rests in God's kingdom with Him now and there is peace in that knowledge.###imported-begin##Veta L.*
