“ Mrs. Jones was my son, Wynn Drumm's, Cub Scout leader back in the mid 1960's. I still have the little gold cigar box covered with macaroni that she helped Wynn make & give to me; also a popcicle stick picture frame with Wynn's picture in it wearing his Cub Scout uniform. I know Wynn was there to welcome her into heaven. He passed in 2012 with cancer. My prayers go out to Chester & the rest of the family.

“ Sending special love to the family of Mrs. Jones during this time of grief. She was a personal inspiration to me as she sat beside her family at church services in Burluson and our hearts are saddened by our earthly loss. She was certainly a quiet giant and a blessing to all the lives she touched.

“ Sympathy to all the Jones'!. What a joy it was to worship with all of you. Helen was such a great lady, good wife, mother and grandmother. Good memories of Mr. M going in and seeing Helen and her precious sweet welcomes. She will be missed but much welcomed in heaven! Kathy Quinn and family.

“ *Helen was a very special, precious lady and I am so glad that she moved to Burleson so our family could get to know and love her. I so enjoyed our visits and loved to be able to take her places occasionally. She helped me with the Crowley nursing home cake ministry until a month ago because those "older" folks needed "home baked" cakes! She took our grandson Garrett's prayer pencil a couple of years ago and they became great buddies! They had a special bond and as Garrett said last night "I know Ms. Helen is happy and in Heaven, but I sure am SAD! I think we all feel that way today; however, we all have a precious guardian angel to watch over us --- especially Garrett! We love you, Dana and Gary Shipp and Family*

“ I have only known of Mrs. Jones through the stories of her son, Chester; however, I got to speak to her on the phone shortly before her passing, and I felt as though I had always known her by the end of the conversation. She truly loved her children, and I know that she went in peace knowing they are all loved and supported through friends and family. Mrs. Jones leaves behind a wonderful legacy in her family.

“ What a sweetheart! I can't think of her without smiling. What wonderful memories from church, ladies Bible class, and going out to her house for a visit. I was always honored by the fact she would call me before calling 911!

“ My condolences to Helen's family. While I don't know any of you personally, I knew Helen since I was a child. My first job was working with her at Mr. M's on Dallas Avenue in Lancaster. My memories however go far past that point. I remember as a child going with my grandparents to pick up pecans on her family's property. Seems like it was an annual event for us. A very kind, sweet woman by all accounts.

“ Although I had never met Ms. Helen in person, we feel like we have all been a part of her life through the many stories and memories that Chester has shared with us over the years. She had to have been an awesome mother because awesome kids come from awesome parents; with that being said Chester is a one of a kind and loving person and has an amazing family. Jefferson ISD, especially Jefferson High School, is so fortunate and lucky to have him in our school family. Sandy, Steve and Chris are so supportive of him and his endeavors here at the school with us. We are sending prayers to him and his entire family. Hold on to all the memories. Love to you all. “ To the family, do know that you are in my prayers. I first met Mrs. Jones while working at Berne Academy. She would quietly come in the office if needed or wait in her car to pick up the boys. Sweet memories of her I have.
