*Ninny, I hope you are in a better place now. I really wish to live as long as you did also. No matter where you are me & you will always be together forever. It does not matter where are I'll still love you with all my heart. I miss you alot and will be with you someday & spend all that time just our family. I really wonder what it's like up there. It seems like I'm just broken without you here with me. I just wanted to go back in time when me & you had such a great time at Nana's house. I used to help you get dressed. I know it seems weird from a 7 yr old helping a 90 yr old lady but I had no problem doing that cause you are my favorite great great grandmother & I will never forget the time you said "Emilee sweetheart, you're the most beautiful little girl in the whole world." I miss that speech you said to me all the time. I remember when I would always come into your room before I went to bed. I gave you a big kiss and said "I LOVE YOU." I will always keep that promise til I die. I would love it when I heard you singing in your rocking chair. You had a book that you would always read all the time and never stop reading it. You have told me that was one of your favorite books and I can't remember the name of it but I am sure it was a good book. I really love you Ninny & you always remember that and never ever forget that. I will never let you down.##imported-begin##Emilee Moser (great great granddaughter)##imported-end##*

“ **♥ LETTER READ AT THE FUNERAL -**  
*WRITTEN BY KATELYNN (13) ♥ Ninny, I love you so much and will miss you terribly. I used to enjoy my visits with you when you lived with Uncle Bob & Aunt Sue. We always went back to your room and sit & talked & watched tv. You was also saying funny things that would make me laugh. When you moved in with Nan, we was able to enjoy you for a short while before your illness started. I also felt so proud that I could tell people I had a great great grandmother like you. I will miss you so very much that I feel blessed to have had you so long. ♥ ##imported-begin##Katelynn Lenamond (great great granddaughter )##imported-end##*

“ *when I am gone, release me, let me go. You mustn't tie yourself to me with tears, Be happy that we had so many years. I gave you my love and you can only guess, How much you gave me in happiness. I thank you for the love you each have shown, But now it's time I traveled alone. It's only for a while that we must part. And then, when you must come this way alone, I'll greet you with a smile and say, " WELCOME HOME" ##imported-begin##Charlet Stewart##imported-end##*
