David, Bruce and Donna, This was one of the nicest services I have been to in a very long time, Margie would have been and was very proud of her children. David, Donna, to bring her to every Dickerson reunion was such a kind thing for you to do, and I so hope hope you will keep coming. I will keep you all in my Prayers, David I pray for a complete recovery for you with all the pain you are having. Love you all, Becky

“ *To Margie's family:*

I am so sorry to hear of Margie's passing. I have lots of great memories of Margie as I had the privilege of working with her at Ferris Elementary (now Hazel Ingram) School for many years - beginning in 1982. Margie was one of the "hardest"working people I have ever known. She was a highly respected lady. She was very organized and was a great librarian at our school and a dear friend to me over the years. The kids loved coming to listen to her read every week. She was a very special lady. Even after she retired she still came and volunteered at our school for many years. She will always hold a special place in my heart as I am sure she will for the many, many other lives she touched. My heart goes out to you , her family. May God fill you with His peace now and in the days to come. She will be greatly missed.

*Sincerely,
Cindy Poff*

“ I will always remember what a sweet and loving lady Margie was. She was so faithful to bring her nephew Bobby Joe Conn a birthday cake each year after his mother passed!
When I think of Margie, I think of a sweet and special lady!
