“ I was blessed with the opportunity to be her nurse for several years. I've also gotten to know some of the family really well. Mrs. Foulk will always have a special place in my heart and will be a patient I will forever remember. She had a loving spirit with a spark of strong will. She definitely kept me on my toes most days. She had a special way of growing on anyone she met. You couldn't not love her, and I'm sure she will be missed greatly by all. (So sorry I was not able to celebrate her life with you all today. Sick children are no fun.)
