“ I just received the news about Magdalena, and I have to say that it breaks my heart that she has passed away. I had never met her in person, but I have met the true beauty of her voice and personality. I know that God has a plan for the angel he has called to him and that her children will be watched over everyday. I will be praying daily for the family to receive peace of mind and comfort, during this sad time, that has come way too soon.

“ So sorry to hear about Magdalena's passing! We just found out. She was so much fun to talk with when we would be placing an order. She had the sweetest voice and I could see her smile though her laughter over the phone. God, I wished I could of meant her in person. We will miss talking with her. I can't tell you how many times she would change my mood by just talking with her. I pray that gods peace be with her family and friends, I just know she's one of Gods angles now. Forever remembered and missed!

“ I never had the privilege to meet Magdalena in person but she was one of my favorite people to get on the phone when I was placing an order with TriVantage.

She was always so pleasant and friendly and knew what she was doing to get the order moving along. It had been a while since I spoke with her and I was missing her cheerful voice. I know her family and friends will miss her tremendously. I will just picture her smiling down on everyone as she did when she was on the phone.

“ Met Claudia and Dolores at Cedar Valley College 27 years ago. I remember the first time I was invited to one of the Family's gathering and met Malena. She took the time to get to know me, talk to me and made me feel very welcome. She was always like that since the first day I met her. My heart hurts for the entire family. I don't have words. Be united as always. Our thoughts and prayers are with the entire Santoyo family. Rafael and Lupe Rodriguez.
