

Marilyn D. Tricomi

December 2, 1943 - April 16, 2022

Marilyn Tricomi, was born on December 2, 1943 and gained her wings on April 16, 2022 at the age of 78. She was born in Kemp, Tx and remained a lifelong native of Texas. She was married to Frank Tricomi who recently preceded her in death.

Momma and Frank were Entrepreneurs, and in their retirement, they loved working at Traders and making a good life for themselves, being their own boss.

Momma was a woman of deep faith and attended Newman Park Church for many years. Throughout her illness, she never swayed from the left or right in her faith, and her words were always "God will take care of me." She was steadfast and always claimed that she had a league of 10,000 angels watching over her. She declared that until the day she was unable to speak.

Momma enjoyed many successes in her career; however, her greatest success was her devotion and love of her family. She was a wife, mom, sister, aunt, grandmother, great grandmother, and a friend who will be missed by all.

Momma was about tough love but, it was sincere love and whether you were distant family or close, she loved you just the same.

Momma battled cancer and Parkinson's disease for many years without ever hearing her complain. She passed away in her home surrounded by family. That league of 10,000 angels escorted her to heaven as soon as God reached out His hand. She was loved very deeply and will forever be missed.

Marilyn is survived by her daughter, Lori Embree and husband Otis; her daughter, Alisa McDougall and husband Jeff; her son, Russell Mixon and wife Brenda; her son, Frank Christopher Tricomi and wife Desirae; her daughter, Theresa Tricomi and husband Todd. She is also survived by her grandchildren, Kelly, Brandie, Steven, Achlie, Casey, Nicky, Bryan, Thoren, and their families, in addition to her great-grandchildren, Kennedy, Logan, Ian, Lexi, Karlie, Madison, Finley and Rowan; and many nieces and nephews.

She was preceded in death by her son, Steven Craig and her great-grandchildren, Jesse and Junior.

Thank you to all of our friends and family for the support and prayers during mom's illness.

Marilyn's family invite you to join them for a Celebration of Life choosing to remember our Momma in a way that honors her spirit. It will take place at Byrum Funeral Home Chapel on April 27, 2022 at 12:00pm with a Graveside Service to follow immediately after at Kemp Cemetery, 1208 Tolosa Rd.. Kemp, Tx 75143.

“ *Mamaw I miss you so much I miss laughing with you I miss talking to you I miss playing games and jokes on you and I really miss saying the unexpected things that I say and watching your face for the moment you realize whatever it was that I said . U were the very best mamaw. I know I gave you hell in my life time and I am sorry for that but it was so much fun. I can only hope that after meeting with Jesus first you next ran to the boys and y'all 3 hugged each other and made each other feel secure again. And I hope that you reassured them both of how much I love them and miss them and need them in my life. I need all 3 of you. I never imagined or even tried to imagine how empty my life would be without any of you in it more less all 3 of you. Who would have ever thought I would have to literally find out first hand?! It's not fair and I love and miss you all so much. I can only hope that somehow each of you knew how much I loved you and how much you all meant to me. I can't believe y'all are gone forever. I love you*

“ I miss you so much mom. Not quiet sure what to do with myself.
Would love for my phone to ring and it be Frank hollering or
bragging about you.
Ya'll have left another hole in my heart.
I sure hope you two and boys are staying close and loving each
other.
I would love to hear from any of you.
Would love to walk in and see your eyes when our eyes met.
I always knew you loved me so much because I felt like I was kind
of your security when you could not hear well.
You were the very best, most beautiful mom in the world.
I cannot wait to see you again.
I love you mamma💜💜💜💜

“ Mom, so much thought and care put into your final resting. We know it maybe, kind of upset the apple cart, but we were so glad to know your last desire and I am so proud of Russell. You knew what you were doing to make him executor of your will.

He has not/will not step outside of anything you have entrusted in him.

You are his mom, he your son.

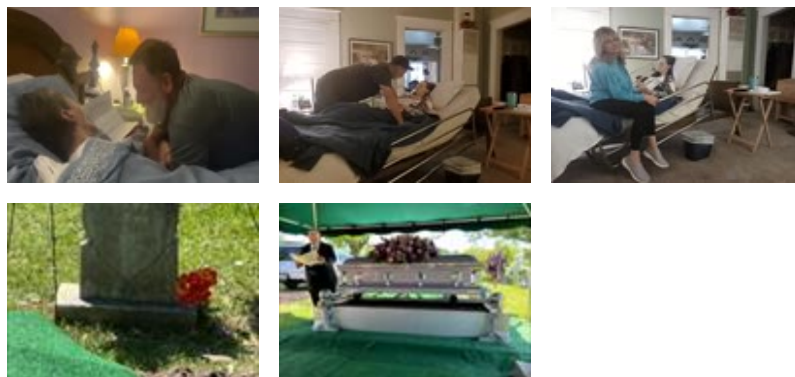

I thought you and I had something really special but I am seeing that I wasn't the only lucky one.

You both had such a huge part of each other's hearts.

Glad you get to be with your baby as you rest, until we see you again.

We miss you mom💜

Ps: I cannot wait to meet Stephen Craig😊

“ My sweet momma I miss you so much. The clock seems to be moving extra fast today as tomorrow we will lay you to rest. Im am honored that you trusted me to see that your last wishes are carried out. I can sleep well at night knowing that your in heaven with your 10,000 angles and Big Bryan, Steven Craig, Granddaddy, Grandmother, Mamaw, Papaw and all of our loved ones and more. “ Momma it brings me such joy to know your not suffering anymore. But it also brings me such heartache to know your journey here is over. Momma I know you must have the most beautiful set of wings because you are the most beautiful person inside and out. I cant think of any person that you didn't treat with respect. Always teaching us how we are suppose to treat others I can say I didn't always follow those rules but I knew right from wrong in which you and dad engraved into our life's. You never once complained about the pain and we all could see the pain. I could feel your pain momma and I still do. I have my good days and my bad days but I know you and Frank are up there looking over all of us and taking each step with us. I never knew I would miss Frank the way I have been missing him so please give him a big hug from me and tell him I love and miss him very much. Momma enjoy those wings ! It puts a big smile on my face and a tear in my eye as I can picture how beautiful you must be as they unfold and you take off on your journey in heaven. I will do my best to make you and Frank proud every day and will do my best to make sure I keep a eye on my sisters. So until we all meet again I love you ,your gone, but still in my heart ever minute of the day. Rest in peace Momma

Enjoy all those angels, they have been surrounding you for so long. I know you already knew them well. Tell Jesus it's been hard but, thank you to Him for everything. I know it will all be ok*
