“ *I have so many fond memories of Grandma, her sweet soft voice and words of wisdom will be missed. As a little girl I remember chasing chickens and playing in the barn and in the peach orchard, taking a bath in the wash tub in the kitchen," you always wanted to be first or at least second in line". I know there was a sweet reunion in Heaven when Grandma went home to be with her Lord and Savior, Jesus Christ, to know this is not goodbye, but see you later brings such comfort, I love you Grandma.*
