“ I was so lucky to have the best mom in the world. I am who I am today because of my mother. I saw her go through so much pain in last years of her life and she never complained. She was the light of my life and i hope I can be half as good as a person she was. I love you mommy but i know your with Daddy now and that gives me comfort. Give daddy a kiss for me and tell him it's from his baby girl. love ya mommy###imported-begin###elaine krause###imported-end##

“ I have wonderful memories of Aunt Martha, Uncle Bob and my cousins. Martha had the best laugh. One thing that stands out in my mind was how much she and Uncle Bobby loved each other. They were truly soul mates and are now reunited.###imported-begin###Suzanne Coleman West###imported-end##

“ Martha & I worked together at Sears. We became great friends and she was such a fine Christian girl that I decided to introduce her to my bachelor brother. 4 months later they were married and had such a great marriage. They loved to go on camping vacations with their family. If you were around Martha, you were always laughing- such a great attitude and sense of humor. She is now reunited with Bob and her parents and I'm sure they are laughing and having a great time.###imported-begin##Linda Hearn May###imported-end##
