Oh where do I begin. Mary and I go back 30 years when she became a client of mine every week having her hair done. She has become a true friend thru the years. I always enjoy hearing the stories and events of her life. We have laughed and cried together thru the years. Mary was a "what you see is what you get" person with a heart of gold. My condolences to her family who I feel like I know even though I haven't met many of them. She loved her family cruises, the shopping sprees before the cruise, family gatherings and Nascar. Billy, your mom will be smiling down on you when they play " her song to you".
