“ *My entire life includes memories of Mary. Our families did a lot together, whether they came to Corpus to see us and go to the beach or we went to their house to go to Six Flags. When I had work assignments in the Dallas area as an adult, I was always welcomed by Billy and Mary for dinner and long visits. As a kid, I called them Uncle Billy and Aunt Mary....it wasn't until I was a young adult that I allowed myself to just call them by their first names....after all, Billy is my first cousin which made Mary my first cousin as well, even though Mike and I are the same age(he's 5 months older and that matters at our age now!!). As a child and a young adult, I spent a lot of time with Mary. She was a sweet, tender, and fun loving woman. I cherished our phone conversations which could last a while because she always wanted to know everything about me, about how my siblings, and all of my nieces and nephews were doing. She genuinely cared. When she loved you, you KNEW she loved you. My heart breaks for Billy, Mike, Brad, Jeff, and all the rest of the family. She was welcomed into heaven by all of those she loved that passed before her and that gives me comfort. I loved her and I will miss her.*

“ Aunt Lou called to tell me the devastating news about sweet Mary On Thursday. I loved her ... She was always so loving and caring to me. When I lived in Dallas for a brief time in my younger days, Mary was so warm and welcomed me into her home for dinner and treated me like one of her own. She had a smile that would light up the room!! ❤️ I know my Nannie and Papaw sure adored her. Billy and her sons are in my prayers. The Lord called home another angel. Love, Kendra (Hyden) Roberts.
