“*Mary has a heart bigger than life. When I first came to St. Francis, Mary and Paul received me with great smiles and wide open arms. She was instrumental and most responsible for getting me into the Knights (which she loved dearly).*

“*Mary has been a part of the Deering Family since 1979. Even though we did not see each other ever day, We always knew we were there for each other. We held lots of memories and fun times. From cutting our wrist (pretend cutting) and sharing blood to become blood sisters, to eating Strawberry blizzards at Dairy Queen. She will be missed in our hearts. Now she is in peace with Jesus. My prays & Love go out to Paul, Linda, & John for comforting and now peace. For their new journey in life. Love you Always

“ I love the picture of Mary - her big smile! She's a beautiful person - inside and out. You are right and Mary Ann and Jesus each took a hand and welcomed her home. I like the image someone else wrote that she is in the arms of Mary - what a comfort. I love you very much. I put her name in the book of prayers and all of our sisters are remembering her and the family in their prayers. May God be your comfort and strength. I love you, Linda Zweifel
