“ *I love you Mom and Miss you so much!!*

Mom,

I have seen this little red bird appear outside in the backyard. It comes to visit me and I feel your presence and I know you are with me and it brings me such comfort.

A cardinal is a representative of a loved one who has passed. When you see one it means they are visiting you. They usually show up when you most need them or miss them. They also make an appearance during times of celebration as well as despair to let you know they will always be with you. Look for them they'll appear.

Love, Don and Margaret

“ Granny, (Our Angel)

I miss you so much....you were and are my strength and you brought so much joy to us all. You gave a very special gift every day of unconditional love. No matter if we were going through good or bad we always knew how much you loved us. I miss your hugs and kisses but I know you are in the sweetest place with our Lord and Savior. You taught me so much about being a loving, kind and forgiving person. I carry you always in my heart. Your Great Great Grandson Hunter just turned 1 yr old recently and I give him extra hugs for you. Cameron went to his first prom date tonight and I know you are watching over all of us. I wish we could share you favorite.... a Dr. Pepper (your secret to youth) and a Happy Meal (One of your favorites). We will do just that one day! I love you!! We all miss you Margaret (Mom), Cody, Me, Marco, Cameron and Dawson.

There is not a day that goes by that I don't think of you!

*Kisses and Hugs with all my love
From Your Granddaughter Cheree*
