“ *Pat Lemons is a dear friend. She helped me when I was not sure about driving to Austin alone to visit my son who had lymphoma. After her taking me the first time, I felt confident and drove to Austin many times. Also, when my son passed away, she and Ruth helped me publish a book about my son's life. Pat has helped many other ways by sharing her home with our Spiritual group and always being available to offer encouragement and help. I will miss her so much. I send love to her and her family. Love and many blessings, Billie Threatt*
