Mary Jo is survived by her son, Gary Rodriguez & wife Laura and their children, Taylor and Samy; her son, Mark Rodriguez & wife Denise and their children, Miranda and Kaylee; her son, Eric Rodriguez & wife Jennifer and their daughter, Ashley and her daughter, Logan; her daughter, Kristy Pickard & husband Barry and their kids, Brett, Connor & Daniel; her sisters, Rosie Loyd, Margaret Monk and husband Don; her nephews and nieces, Ronnie & Randy and their family, Cheree and family, & Tammy and family.

“ I will miss my dear Aunt. I feel blessed getting to be there the day she went to be with our Lord. She was my godparent ( meaning that she was there together with my parents, to present me at the baptism and help to lead me to a Christian way of life) and in return I was able to be there the way she was for me. I will miss our talks. When I would go to do her hair it was our time to catch up on many things, faith, family memories and a hug goodbye. I know her family sisters, children and grandchildren meant the world to her! You will be missed and remembered for your love, care and concern for others. God Bless You and bring peace to the entire family in knowing that you are truly at Home and in peace in the House of our Lord. We love you and miss you and you will be in our memories and hearts forever.

Love, Cheree and Family

“ From Margaret (Mary Jo's sister) and family. As her sister I remember how much she enjoyed shopping and looking for bargains and the time we took her on a boat ride and how she loved it. Also the wonderful times we shared at the holidays with Mother with of our families there. How we enjoyed sharing stories ,playing cards and searching the sale ads for black Friday. More recent I enjoyed our phone calls full of encouragement that things were going to be ok and recent visits to her home were we shared hugs at the end of our visit. She would always say I feel so much better after talking to you but she made me feel good for just knowing I could do that for her. My sister was strong in her faith and I know she has been reunited with Mom in heaven and is at peace in paradise. I love you my sister and you will always be in our hearts.

“ I loved playing 71/2 with our family. I can still see how happy she was, having us all there. Mark & Kristy would make us all laugh so hard especially their mom! You are so missed ☐
