“ *My precious granddaughter you brought me so much Joy in the time that you were here with us. You will never be forgotten as you will always be known as Granny Veechie's feisty lil Maxwell. God new best and wanted you home with him. I remember on May 31st how you raised your little head and turned to look at me with eyes opened you were telling me then that you were working on tasks that God had given you to do. Little did I know that you would complete the list of tasks so soon, I must say you were about God's business. Another Angel in heaven and I know her name "Maxwell". This is not a goodbye but a celebration of your precious life. Granny Veechie will see you later. Love you lil Maxwell.*
