“Melody was my best friend since grade school and no one will ever replace that. I didn't know till today which would have been her 50th birthday that she had passed on as we live so far apart and life is so busy we would only get to talk a few times a year. She will be greatly missed but remembered.

Madeline if you read this please contact me so we can talk. My email ratskat@gmail.com

I will search for pictures and try to post them.

Melody my friend I hope there are many dogs and horses up in heaven with you as they should be your reward. Always loved and never forgotten. xxxxxxxx

“Wow this is really a sad day to loose such a great spirit. Andrea was the person who lit up the room with her smile and personality every time she entered a place. A great and caring person, she tried to help everybody. This is a blow that won't easily go away. Andrea you will truly be missed. God has another angel.

We'll never know anyone with more love and compassion than Andrea. She lived each day as if it were her last. She could be tough as the hockey player she was and gentle as a kitten or puppy she had just rescued. She had a treasure chest full of beautiful collars for the pups she intended to go on rescuing. The world is gravely deminished without her being in it. Edward 615/275-8728
