“ I am so sorry to hear of Captain Milton's passing. Was a Very nice man and a fair instructor. I will always remember a check ride he gave me and him asking me after if I run? I said yes sir and he said do you run in those shoes? I said no sir and he then asked why did you want to RUN a checklist. We laughed and he said great job. The world is a little less bright without him. I am sure he is looking down on us now. God Bless.
