May 4, 1982 - April 7, 2024

### In Loving Memory of Mika

Mika, a beloved blonde with a heart of gold, passed away on April 7, 2024. She was a God-fearing woman who valued faith, yet she embraced life with joy and a spirit of fun. Her unwavering loyalty was matched only by her boundless generosity. She lived to give, always putting others before herself, never hesitating to offer her last dollar or lend a listening ear.

Mika was not only a loyal friend but a nurturing presence in the lives of many. Her love extended beyond boundaries, especially evident in her affection for her cherished dog, Don Don. Though she never had children of her own, her maternal instincts shone brightly as she embraced and cared for everyone's children as if they were her own.

Her sweet soul touched the hearts of all who knew her, leaving behind memories of her kindness, compassion, and zest for life. Mika graduated from Lancaster High School in 2001 with the Award of Excellence in Arts. Mika loved arts and crafts, and really enjoyed working on projects for friends and family and continued to do this while she was sick. Mika is survived by her Granny Goose, Kathryn Mize, her mother, Kandace Woffarth, and her close friends whom she considered family.

She was predeceased by her Grand Father Rusty Wolffarth, and her Uncle Justin, whom she will be laid to rest beside in New Mexico.

A special thank you for all the donations made on behalf of Mika. She is smiling down knowing her Granny Goose had one less worry on her plate.
