“ I always had a special place in my heart for Myrtle - we worked together at the Methodist Church in Hutchins when we were both raising our family. She was such an inspiration to me and even in rough times, Myrtle always had that sweet smile and kind word to share - Her family is indeed blessed to have her as their Mom and I am blessed to have had her as my friend~~ Billie Harris (Mrs Malcolm Harris)

“ I will always remember Aunt Myrtle as one of the most unselfish persons I have ever known. She was always thinking of others. She was a real Christian in every sense of the term. Even though I always lived some distance from where she lived and was not able to see her often, her humble, truly GOOD life made a lasting impression on me. Her letters usually were so graciously thanking us for a birthday card or our Christmas family newsletter. You would have thought we had given her a million dollars just by thinking of her! Her letters too were always full of HER LOVE OF NATURE -- her garden, her flowers, or just a beautiful day. What a special, kind, gentle lady who lived a simple life as Jesus taught us. Let's all learn from the quiet example of a wonderful lady! I am so very proud to say SHE WAS MY AUNT!
