“ *What a beautiful smile she had. Nancy and I were 'over the fence' friends for many years in Lancaster We solved SO many of the world's problems over that fence. We both had a love for crafts --- especially ceramics. Was very sorry when the Worley's moved to Red Oak.*

Rachel and Kevin, my prayers go out to you and your families. Y'all left with us with many memories. May God bless you always.

*Much love,
Nance*
