“ Mother, I will never be okay with your leaving, even though I know you are in the presence our Lord. My heart is so broken and I will miss you forever. I will miss our discussions about the Amish books you were reading, you were always an ear for when I had a hard day at work. You were my phone buddy when no one else wanted to listen to me whine and complain. God speed and I will see you on the other side.##imported-begin##Pat Carter Hardee##imported-end##

“ Aunt Louise will be missed dearly, by so many people. She was such a sweet, loving, and caring woman. My prayers are with family and friends that loved her so. It's hard to put into words, how I feel. My heart aches and my eyes fill with tears, knowing that she is gone. I know she is in a better place and she is with loved ones that passed before and for that the I can smile. She will live on in the hearts of all that love her. Gone but never forgotten.##imported-begin##Jamie O'Daniel##imported-end##
