“ Aunt Jo took us kids (my sister and I along with her three children) to one of the local swimming pools several times during our summer break from elementary school. She would also take us (5 kids!) to the museum of natural history and other cultural arts buildings inside the grounds of the Texas State Fair during the "off" season when it wasn't so crowded.

I always felt like she introduced me to the cultural art and history world.

I love you and miss you,

Diann
