“ So sorry to hear about O'delle's passing. I have a of fun memories thru the years with parties at Cedar Canyon years ago and just fun gatherings. Also lots of fun and sometimes stressing out over various flower show events with the Lancaster Garden Arts Club. Those were some really good years..I am smiling now with some of those memories. O'Delle always had a smile for her friends and customers. We will miss her but remember the good times.

“ *O'Delle was such a generous, gifted, and loving friend. She brought such joy to our family and as I look around my home her talent is alive all around. She always had time to pitch in in whatever situation and watching her dedication to her family was such an inspiration. When I had the shop she always got such a kick out of coming down to help move furniture around especially if she could tease Ginny about getting it all out back together. My girls thought The Mushroom Shop was a wonderland. I am so blessed to have known her. Luanna Stinson. Always Lu to her.*
