“ Granny,
I miss you so very much every moment of everyday. You are always in my heart and you were more than my Grandma to me you were a mom to me in throughout my life. You took care of me when I was born and made my baby clothes. You loved me and always did everything with so much beauty of your love from your heart through the years for me. Thank You so much for all of the cherished memories I have in my heart. I glance back daily and remember all of the wonderful times I had coming and seeing you and Papa!

I know you would not want me to grief like I have everyday wishing that I would have made it there before you went home to Heaven. I heard the strength in your voice the week before you passed away. You wanted to get better and go home making the beautiful quilts which I will forever treasure the ones you gave to me on May 12, 2013 on Mother's Day.

I Love You so very much and I will see you again one day in Heaven.

Rest In Peace.

Love you forever,

Lorrie Purdin (Granddaughter)
