“ So sad to hear of Coach Smith's passing. Our hearts felt thoughts are with Patricia and their son. What a great guy! He was part of a wonderful coaching staff in DeSoto and my husband, Ben Easterling, was so fortunate to get his start in coaching on this staff. He was surrounded by great coaches and great men like Pat. When we first married Pat and Patricia lived in a house the Building Trades students built near our apartment. We had the privilege of hanging out with this fun couple. I also knew Pat as a great teacher that students loved. Rest in peace and prayers to the family. Love you guys. Sherry and Ben Easterling

“ I had the great pleasure of playing for Coach Smith at Poteet as well as working with him at Adamson HS and Molina HS. He was very generous and had a sense of humor that was second to none. He taught me many lessons about coaching and being a good person. He will be truly missed. My prayers are with his family. Rest In Peace Coach.

Pat Smith made everything a little better, that's just a simple way of stating the impact he had on those around him. I worked with Coach Smith at Molina High School and found him to be gracious, generous of his time and talents and kind. Pat will be sorely missed by those who knew and loved him. A life well lived. God speed.

“ Pat was a special friend whom I have many fond memories of times shared. Such a fun loving and caring guy. Our times shared together while coaching together at Poteet High School in Mesquite are so ingrained in my memory. The times we shared while sitting around the campfire together while at our deer lease down in Llano County are a special memory as well. I will miss my dear friend greatly. May the Lord welcome you home Pat.
Rest in Peace Buddy ! ! ! !

“ Pat and I for a year or so worked at the First National Bank, Lancaster, "drive in window' banking on the 'square' downtown...probably 1964-65... When things were slow, Pat would get on the 'microphone' we used to talk to drive in customers and ... begin "singing" ;like a rock-star on the microphone - - - for all the town to hear! With than sparkling smile of his! Bob Mikulastik
