“ Harry and family (Hi! Bob), Felix and I extend our condolences to all of you. We did not know of the Sept. 12 event at the house so we missed it. Patsy was a remarkable woman and Hutchins is diminished by her loss. Felix and Aurora Madrigal

“ Harry, I reflect back to late 2005 or early 2006 when Patsy played a significant role in the lives of my brother and me and our respective families. She represented us very effectively in a real estate transaction that forever changed our lives. She was a good friend with the highest integrity that instilled confidence and made working with her a pleasure. Whatever Patsy said could be "taken to the bank". Her word was her bond. Always upbeat.

Please accept our sincerest sympathy. Patsy's passing leaves a void that can't be filled.

Sincerely,

Carlton & Nancy Moffett

“ My Mother went to the Lord our Father last Saturday night and even though it ended her suffering....she will be sorely missed. Being the third child we had a very special relationship. She taught me to be a confident man in everything she did for me. I was loved from the day I was conceived and she still is loving me now just from a happier place. Mother I love you and could never have asked for a better mother. You were a mixture of strength, discipline, loving and holding. You were there to share in my joys....help me in times of distress and hold me when I was hurting. I still to this day walk through the crystal and china part of the store with my hands behind my back!

I will always love you and miss you terribly. go with God our father knowing Christ is helping you and holding your hand through all of this.....I love you....

Pat, I regret I didn't see you in the last years of our lives. Please forgive me. I won't ever forget the many things you taught me. The many years we were neighbors. The many places we went with our husbands and those weekends we spent with our female friends. You and Harry were the first grandparents of our large group of friends from the Methodist Church in Hutchins.

We thought youall were about the silliest two people grandparents we had ever seen. Rest in pease beloved old friend.

“ "We will be known forever by the tracks we leave" she leaves some pretty big tracks in my life - - and countless others! Patsy was a "people" person and she reached out in so many ways to help and encourage me and my family - in good times and in sad times. I shall always have a special spot in my heart for her - She and Harry were our first friends when we moved to Hutchins many years ago - - they were newly married and we had just moved into a home that we purchased from Harry's uncle - they welcomed us and stayed close by thru the years. I shall always be grateful that she touched my life! Billie Harris

“ *Not a memory, but a fitting poem for the family:*

GOD SAW YOU

*God saw you getting tired
and a cure was not to be
So He put His arms around you
and whispered come to me.*

*With tearful eyes we watched you
and saw you pass away,
And though we loved you dearly
we could not make you stay.*

*A golden heart stopped beating
hard working hands at rest,
God broke our hearts to prove to us
He only takes the best.*

“ *I have always loved the way my Aunt Patsy helped to keep the memory of my Dad alive. He passed when I was very young but I was able to know him through her stories and memories of him. I'll miss you so very much Aunt Patsy....RIP*

Donna, she missed your dad terribly. I know she talked about him often to us. You guys meant a lot to her because you were part of him. Glad to hear she helped keep him alive for you and know she gave him a big hug in heaven when she got there.
