“ *Having Paul treat me like his little brother from the time I married into the family was special for me, never once did he make me feel like I didn't belong, never had to ask him for help if I needed it, he was there. The nickname butthead that only he could call me was special as well, but I would never had told him that. Sherry we are here for you and the boys and love you guys very much. May God ease your pain and heal you hearts.*

“ I had the privilege of taking care of Paul. I didn't know him before but feel like I did through many late night talks with Sherry. She and the boys are such a great testament to his life. Each of us can only pray to leave that kind of love here on earth when we leave it behind. I pray that God wraps you in his Holy Spirit during this time Sherry.
