“ I close my eyes as I wipe a tear.
I just keep wishing you were still here.
I will hold all the memories deep in my heart.
Through these memories will never part.

I close my eyes as I wipe a tear.
I just keep wishing this pain would disappear.
I didn't get the chance to say my last good-bye.
I just didn't think you could ever die.

I close my eyes as I wipe a tear.
All of your love I will always hold near.
In my heart and my mind I will never be alone.
When my time comes.....
I will meet you in heaven!
WE LOVE AND MISS YOU!

Aunt Paula, the last thing you ever said to me was " I love you Shelby ", i can still hear that sentence in my head and i hope it never goes away! i love and miss you soo much! I cant wait till the day i will see you again!

“ We miss you already, Paula. Eventhough our hearts are breaking we know that you are sitting alongside God in Heaven. He just needed another Angel in his midst so he chose you. We already know that you will have eternal love and happiness and will be walking on the golden streets with family that have gone on ahead of us. I will remember our hand hugs especially on your last days with us. Love you sister!!
