“ Grandma, I love you so much! I will miss you terribly, I have such great memories of you and I will treasure them ALWAYS, I will never forget you and the good times we had. The coffee you shared with me when I was a little girl in that little pink cup and the ice cream truck. You always had money in your little coin purse so we could buy ice cream. I remember walking to the grocery store with you. What a wonderful loving grandmother you were and I am so happy my children (your great-grandchildren) had the opportunity to know and love you. We will miss your laugh, your smile and your humor. I love you Grandma Rest in Peace, I am glad you and Grandpa are together again!##imported-begin##Rachel Salas##imported-end##
