“ Aunt Pearl and I had the same initials...PJ ... Pearl Johnson and Patricia Johnson...but we shared so much more. So many happy family memories include Aunt Pearl. Seeing her on her visits to New Jersey, visiting her at her home in Texas...how did so many years go by? so quickly? She was a joy to know and shining example of courage and fortitude against life's hardships. I will keep her in my heart for as long as I live.

“ *Aunt Pearl was my mother's sister. She was a wonderful woman who led an extraordinary life. She was kind and always had a smile on her face and a twinkle in her eye, yet, she had so much courage and spunk. Above all, she loved her family and knew its history.. We were thrilled when she would come to New Jersey and spend time with us. We couldn't wait to hear her tell the stories of her life. My family and I were so very fortunate to have her in our lives. She will always be a part of our family. never to be forgotten. She was one special lady. We will miss you, our beloved Aunt Pearl..*
