May God bring you comfort at this time. Just heard the sad news. I know you will miss Peggy. God had brought her to my mind recently and now I know why. God be with you.

My sweet “Forever Friend”. I love you and miss you! I will always remember all our good times especially cruising in my Charger when we were in high school and when we went to see Paul McCartney after we were in our 50's!!! I have been Blessed to work with you 32 years and will be forever grateful that you brought me that application for employment in 1982. God Blessed me with your special forever friendship and now my birthday buddy, you are my Forever Guardian Angel”! ~ Lena

“ Even though we had known Peggy for only a short time, we had developed an appreciation for her. Her constant, infectious smile and positive attitude were contagious and will surely be missed. Paul, Stacie, Trey and families, we are so very sorry for your loss and our prayers are that God's comfort will be with each of you during this time and in the days to come.

“ My family was blessed to meet Peggy when she started working in the church nursery on the day my son was baptized. She became a surrogate grandmother to my children, sitting for them every weekend for 12 years, loving them like they were her own, and being an absolute blessing to our whole family. We are devastated that we have lost such a treasure. Peggy always loved without question, supported without hesitation, and laughed heartily. We will miss her terribly! Our love and prayers to Paul and the rest of Peggy's family. Love, John, Stephanie, Lyla and Ross Peroyea

“ God joined us together and I continue give Him thanks for that blessing. She was an endless well of love and understanding, the center and glue of our family. She was my rock and anchor, fully half of who I am. There is a empty hole in my sole and I too look forward to the day when we are reunited and I will be complete again,

Peggy was the most gracious sister in law. No matter what, she always had that winning smile. May the Lord take this family in his loving arms and hold each and everyone of them with his love.

Stacie you were the lite in your mothers eye. You helped your mother in this battle with cancer and loved her so much until the very end. I love the photo album you shared with us all and the love that shined in her life-family and friends.
