

Randy Lynn Martin

April 30, 1953 - December 29, 2021

Randy Lynn Martin, a beloved son, brother, husband, father, grandfather, and loyal friend passed away on Wednesday, December 29, 2021. Randy went to the Lord peacefully in his home with his family by his side.

Randy was born on Friday, April 30, 1953 in Dallas, TX to Joseph and Tommie Martin. He was a man of faith who accepted Jesus Christ and loved his family and friends dearly. Randy was a determined entrepreneur who had a passion for building sustainable businesses for the benefit of the customers he served and the family he so loved. He enjoyed and spent most of his time with family and friends riding motorcycles, playing sports, hunting, fishing, listening to music, driving classic cars, and being the best husband, father, and granddaddy that he could be.

Randy is preceded in death by his father, Joseph Duckett Martin; his mother, Tommie Jean Martin; his father-in-law, William Geddes Noble; and his mother-in-law Jane Noble Couch.

Randy is survived by his wife of 48 years, Chris Martin; his sons aka “the boys,” Phillip, Kenny, and Robert Martin; his daughters-in-law, Allison, Corinne, and Kate Martin; his grandchildren, Kaitlyn, Tyler, Caroline, Catherine, Carter, and Maelyn Martin; his brother Jimmy Martin; his sister-in-law Cari Martin; and a host of extended family, business associates, and

friends.

Randy met the love of his life in Dallas, TX at the age of 12 when Chris moved from Houston into a house across the street from Randy. Randy and Chris married 8 year later and spent a total of 55 years together as a couple. The boys and their families want to send a very special thank you to their mother for her unwavering love and tireless commitment to doing whatever it took to help their father battle against LBD with Parkinsonism and live the best life he and they could, especially during the last 5 years.

Celebration of life will be at 12:30pm on Friday, January 7, 2022 at Byrum Funeral Home Chapel. Inurnment will immediately follow at Laurel Land Memorial Park at 3:00pm.

As many may know, Randy was diagnosed with and battled Lewy Body Dementia (LBD) with Parkinsonism for 11+ years. LBD is a disease that affects more than 1.4 million individuals and their families in the US but despite this impact, there is extremely low awareness among people (including Health Care Professionals) of the signs, symptoms, diagnostic criteria, or even that this devastating disease exists. With that, and in lieu of flowers, the family asks that donations be made to Lewy Body Dementia Association at the following link: <https://www.LBDA.org/donate/>.

“ Randy was a good friend taken from his family and friends way too soon. I met Randy and Chris at one of Brad and Cinda's Hill Country rides in the late 80's. A friend to all, I was lucky to share lots of smiles and good roads and great times with Randy and his brother from another mother, Alan Wilson. They are both gone now and thou missed our mutual friends and I were blessed to have known and enjoyed their friendship. RIP

“ Dear Chris and "the boys,"

We are so saddened for your loss of Randy. He always lit up a room with his kind demeanor and charm. We know that he loved all of you and was so grateful for all of your love and support the many years that he lived with his illness. We hope that the Lord will lift you up as you continue without him. Prayers for all of your family,

Karen and Bill Pennington

“ When I think of Randy, the word that comes to my mind is *SMOOTH*. His riding style, demeanor, personality, BIG Texas smile - it all wraps up into the man that we all enjoyed being around so much.

He was fast on a motorcycle; but never looked like he was trying: SMOOTH

His easy, friendly way of conversing; always engaging and insightful: SMOOTH

The loving way he would always look at Chris and his kids: SMOOTH

The enjoyment he got being around motorcycles with his buddies: SMOOTH

We, his motorcycle friends usually only got to see a small part of Randy Martin; his business success, marriage success, being a family and father success, and enriching the lives of everyone around him: SMOOTH

*I am honored to have known him and Godspeed my friend.

“ My best buddy, Ken Barnett and I were sitting on a curb one Sunday morning in front of Plano Honda. (Can't remember the exact date but I believe it was 1984)

You see in those days we spent a lot of time window shopping. Just as we were about to leave, this young man pulled up on a bike and asked if he could join us as he too was a window shopper. He asked if we rode a lot and I said as much as we possibly can. We asked him to join us and we rode together the rest of the day. We exchanged phone numbers and rode time and time again for years. Every year, there was a group of riders that did a Texas Hill Country Ride on a long weekend. I called Randy and invited him. That was all it took for this young man we met sitting on a curb in Plano to get hooked with this group of Motorcycle Friends forever. The comradery with this group built such a great friendship over the years that it became Randy's life in business a Motorcycle Dealer himself! Vaya Con Dios Randy!

“ *We made a lot of wonderful memories together as newly weds, raising boys and becoming grandparents. I can't look at a Camero without thinking of our trip to the beach. Thank you for being of friends for over 50 years. This world won't be the same without Randy. Love to you Chris and the boys.*

“ *My heartfelt sympathy goes out to Chris, Kenny, and the rest of the family. I don't know the rest of the family as well as the ones I mentioned, but you were fortunate to have such a hard-working, smart, nice person to love you and support you for the time he was here on earth. My memories of working at Cycle Center of Denton until my retirement are all good. I'm glad that Randy told me about accepting Christ as his savior. I look forward to seeing him again in Heaven.*
