“ My deepest sympathy to the family. Ray liked to pull pranks on the clerks here at Dallas County's JP court in Mesquite. But there was none better than he at looking out for us.
We were blessed to have known him. He will be greatly missed.

“ *The night we graduated, in 1969, the Brooks hosted our 'after' party in the pasture at their home. I will never forget Taco partying and celebrating as he said he was the first one to graduate in his family. We were so proud of him and for him! He was a wonderful man and devoted his life in service to others. God speed Taco-rest in the arms of Jesus. Love and hugs to your family.*

“ *Taco was a great LPD officer. I worked at the Dairy Queen back in the late 70's. He and many other officers ate their during their shift and also on their time off. I got to know him through those years. He "stopped me" several times during those teenage driving years and always gave me a warning instead of a ticket. He was really a great guy and police officer. Heaven has gained a great person and servant. Rest In Peace Taco .*
