“ *To All the Family and LOVED ONES left behind~*

My heart is heavy today for all of you. Janie, how much I care for you and love you there are NOT words to describe. My thoughts continue to when I lost my dad and Gods devine timing to place me with FRIENDS that could hold me in their love during such a difficult time. That was a divine appointment.

I didnt have the opportunity or privilege to get to know RJ like most but I do know the direct results of his raising and product of his family. Such kind, loving, loyal, honorable, and for me personally forgiving and MOST importantly loving unconditionally. That to me is enough of a personal impact and testimony to a simpy amazing, noble man of character.

Art, Janie, Andrew, and precious Alex as well as everyone else in your circle of Family and Friends, today and always my prayer for you is that God wrap his loving arms around you in your time of loss and allow you to feel the LOVE that RJ your daddy had and still has for you. I pray you feel his love through a peace that surpasses all understanding especially today but in the days to come! I love you guys to the Moon and Back and wish I could have been there for you today.

Hope to see you and love on you ALL soon!

My Best,

Katina###imported-begin###Katina M. Lee###imported-end###

“ I have very fond memories of Mr. Hussey from my days in his auto mechanics class. He was the best, and from what one classmate told me, R.J. liked Buicks. I'm especially touched by his kind words about me when he ran into my dad at a tigers football game.

“ I came to know R.J. and Pat through my grandparents, M.W. and Doris McBryde. They attended Cold Springs Church of Christ together and were very close friends up until my grandparents both passed away. R.J. presided over my grandpa's funeral service and it was one of the sweetest, most personal services I've ever been to thanks to R.J. He later sent me the notes he had made for the service. I keep them in my Bible as a reminder of what true friendship really is.

One of my fondest memories is of Grandpa and R.J. playing 42 together. They had such a good time whenever they got together.

By far, R.J. was one of the kindest men I have ever had the privilege of knowing. He was a true blessing. R.J. and Pat were there for me and my family in the most difficult times and were always a great source of strength and comfort to us all. R.J.'s influence in my life will continue because of the wonderful example he set as a good, faithful Christian and wonderful friend. I'm going to miss his cards and letters but, I'm very grateful to have known such a wonderful, influential person as R.J.

God Bless you, Pat and your family. May God hold you in the palm of His hand.

*Love Always,

“ R.J. was one of the sweetest people I have ever met, He was always thinking about others before himself. He cared deeply about his friends and extended church family and he was always doing for others. He was a wonderful example of what a christian should be. He helped me greatly when I lost my parents. He and Pat were there for me.
I know he will be greatly missed. I will keep your family in my prayers.
I look forward to seeing him someday in heaven.##imported-begin##Pamela Cheshier Dean##imported-end##
