“ Our condolences to the family. The neighborhood has lost a good man and a great helper in a time of need. We will keep the family in our prayers and will miss the friendly smile and wave that we grew use to as we headed to work. May God keep his hand on the family.##imported-begin##Daryl and Sherry Knowles##imported-end##

“ *I have so many precious memories of Robert. From the time Jackie and I met Robert always made me feel so important. His smile would light up a room. He treated Jackie like a little brother and I know now that they are together. I know that the Worley family is suffering a great loss, but the ones that have left before us are up there having a good time catching up on everything we are doing.*

My Prayers are for all of us,
