“ He was the greatest man I ever knew. He never held a grudge. A family member was suppose to be holding some money for him and she spent every dime of it. My dad would help anyone. We would be in the grocery store and he would pay for someones groceries. He always said they might need help so he would help them. If he ever said no to you there was a good reason. But he usually gave or did whatever you asked the next day or two.

No one but me and my late grandmother know the things that my Uncle Bob did for me. He was one of a kind and will greatly be missed. Go rest high upon that mountain in paradise. Loved you so much.
