

Robin Annette Dale

January 3, 1955 - July 30, 2020

Robin Anette Dale was born January 3, 1955 in Dallas, TX to Flora Mae Beecham and Marvin Thomas Smith. She went to be with Jesus July 30, 2020.

She was preceded in death by her mother and father; her brother, Gene Smith; and her sister, Marvinette Hays.

Robin leaves behind her husband, Charles Dale 67; her daughter, Gennifer Gibson 37; her son, JT Dale 33; her daughter, Chelsea Tharp 25; and her grandchildren, Jacob Gibson 12, Jackson Gibson 9, and Jillian Gibson 6.

Robin was a teacher and loved pouring into the lives of children. She brought creativity and life to everything she touched and was as imaginative as they come.

She loved her family greatly. Her grandchildren meant the world to her, and she spoiled them well. Robin brought joy and laughter to so many, and her loss will be felt greatly.

Mom you are healed and whole, and we know you are in the place He has prepared for you. You fought the good fight, and you finished strong the race set before you. While our hearts mourn and grieve the joy you brought us earthside, we have a mountain of memories to bridge the gap until we are

able to be with you again. Everywhere I go I see you.

Services are pending at this time.

“ *Robin was the best aunt any one could ask for. She was someone i could always talk to and she would help me solve life's problems. She was also like a sister because she would come borrow my clothes. I loved her smile most of all because when she smiled you saw her warm bubbly personality. You felt good just being around her. She loved working with kids and wasn't afraid of looking crazy to dress up to make her class learn about animals or planets. She was just that girl. I will always love you Robin.*

“ I am so sorry for the loss of such a wonderful woman. When Gennifer and I were teens in school and she was teaching I loved how she always dressed up in costumes for her class and was so funny. She put up with our shenanigans with a smile. I know she has brought more joy to heaven than we can even imagine. I can just see her making our savior laugh 😍

another mom. Amazing mom to not only her own kids but to those of us

*I'm so sorry for your loss. Robin and I became friends when I moved in
a few doors down from her in first grade. We spent many hours
together "running the streets" of our neighborhood. I have thought of
her often over the years. She was always such a sweet person and fun
friend.*
